NRI SURGICON 2018

Workshop on Basic Laparoscopy

9th & 10th June, 2018

Credit
Hours

Organized by

Department of Surgical Gastroenterology & General Surgery

NRI Medical College & Hospital

Chinakakani, Mangalagiri Mandal, Guntur Dist., AP

Dear Colleagues,

It gives us immense pride and pleasure in inviting you to NRI Medical College, Chinakakani for Basic Laparoscopic skills & Live surgical workshop - NRI SURGICON 2018. With advancements in the field of science and technology and more and more intrusion of technology into medical field, minimal access surgery has gained utmost importance. From the days where laparoscopic surgery was discouraged, we have reached a time where a patient demands it and hence it has become an integral part of postgraduate teaching programme.

This workshop has been designed to familiarize the participants in basic laparoscopic procedures like cholecystectomy and appendectomy which includes talks by experienced and eminent surgeons and also live demonstration of surgical procedures. Another attractive feature of this workshop is hands on training on endotainers for beginners which helps them to acclimatize with the dimensions of minimal access surgery. On behalf of the organizing committee, I take the opportunity to invite you all for this workshop.

“Let’s spread the knowledge - LEARN, UNLEARN & RELEARN.”

A Dinakar Reddy
