Sir,

We have conducted the Zonal CME (Gen.Surgery) on 11th September, 2016 at NRI GH. We discussed the Metabolic surgery – current status & features, Nutrition in surgical patients and Principles of Renal transplantation. In the evening session one case for Multi Nodular Goitre and Mass Abdomen case for discussion. The total number of P.G's attended 57. According to the evaluation forms given by the PG's at the end of the programme. Their opinion is very good and everybody were benefited.

Thanking you

Yours faithfully
